IMPORTANT NOTICE TO ALL MEMBERS APPLYING FOR HUNTING PERMITS

On Monday 4 March 2019 Hancock Forest advised us of an **additional** requirement that those requiring access to the forest must undertake.

The new online induction **MUST** be done every year from now on.

All means everyone entering the forest.

Use the address below. You can do it from your smart phone, tablet or computer. If you don't have internet access you will need to find a friend or relative whose computer or device you can use and get them to help you with access.

There are a few slides with safety information to read and then 11 questions to answer. Once you have all 11 questions correct you can print a certificate and you receive an email confirmation.

Then you can click on a link to go to permit application and you fill in some details relating to you and the club you belong to. This requires you to upload a photo ID - it suggests a photo of your driver's licence. It must be a .jpeg or .gif file or it won't upload.

Note that this does not replace the face to face safety induction that the club runs for all new members (1pm Sunday 17th March 2019 at Newell Road shooting complex) or the application form process. **It is an extra thing to do.**

A handwritten signature in blue ink that reads "A. Fosberry".
